

"TAKE the Call OR MAKE the Call"

Transforming school culture to impact
teacher retention and student achievement

Our team is here to help you on your journey!

Our clients report:

- 45% fewer discipline referrals
- 20-50% increase in academic achievement
- 30% increase in healthy regulation skills for both staff and students
- 100% increase in staff collegiality and positive school climate

With over a half century of industry
experience, SSC is the elite provider of custom
facility services in educational spaces.

Every student deserves a clean, safe
environment that they can learn and thrive in,
which is what our team of dedicated experts
consistently provide.

A partnership with SSC delivers:

- Educational institution expertise - born of 25 years
providing services **exclusively** to K12 and Post-Secondary
facilities
- Comprehensive programs based on unique district
needs
- Data-supported accountability
- Proven processes allowing us to discover efficiencies,
leading to cost savings for our partners

family | safety | service | respect

The Kincaid Group is a collection of family-owned businesses that specialize in the transportation, security, and IT industries. We believe in combining all of the advantages of a family owned and operated company with those of a larger corporation. Our number one priority is providing the highest value by combining carefully cultivated relationships with quality products and industry leading client services.

Our divisions include: American Digital Security (ADS), DS Bus Lines, Kincaid Information Technology (KIT), Midwest Bus Sales, and Pi Managed Services.
